

Life Explorer Student Explorer Journal

Expedition 1: Antarctica • Part 2

Explorer Field Notes

Today's Weather: _____

Temperature: _____

If I were in Antarctica today I would...

Draw what you observe or imagine.

Animal Observation Log

Choose one Antarctic animal.

Name: _____

What does it eat?

How does it stay warm?

What surprised you most?

Draw your animal.

Explorer Math

Estimate first!

- How many penguins do you think are in a colony?
- Circle the larger number.
- Draw 10 penguins and group them in different ways (2s, 5s, etc.).

Build & Create

Sketch your LEGO Antarctic Research Station before you build it.

Label three important parts.

Explorer Interview

If you could interview a scientist in Antarctica, what five questions would you ask?

- 1.
- 2.
- 3.
- 4.
- 5.

Passport Page

Destination: Antarctica

Date: _____

Draw or glue a picture from this expedition. Add an 'Explorer Stamp' (sticker or drawing).

Family Presentation Planner

Today I'll teach my family:

1. _____
2. _____
3. _____

Practice drawing or writing key ideas.

Expedition Reflection

What was my favorite book?

Favorite video?

Favorite experiment?

Hardest thing?

Proudest moment?

One thing I want to explore next...
