and share discoveries.

Welcome, Explorer

Write your name below. This journal belongs to an explorer. Explorers ask questions, notice details, and share discoveries.

My explorer name is...

Draw your explorer badge here

My Expedition Mission

Every expedition starts with a mission. Here is yours:

MISSION

Discover what makes Antarctica one of the most amazing places on Earth.

Draw yourself as an explorer

Draw what you know

A series of horizontal lines for handwriting practice. Each set consists of a solid top line, a dashed midline, and a solid bottom line. There are four such sets of lines arranged vertically.

What I Wonder

Finish these sentences. Big questions make great explorers!

I wonder...

I'm curious about...

One thing I'd love to discover is...

Prediction Page

Scientists make predictions before they experiment.

How do you think penguins stay warm?

Draw your idea before the experiment

Experiment Record

The Penguin Blubber Experiment — record it like a real scientist.

My prediction:

What happened?

Why do you think it happened?

Vocabulary Notebook

Illustrate each word. Pictures help explorers remember!
